Beyond the gates lies a very private, magical sanctuary. Located on over an acre at the end of a quiet cul-de-sac street on Point Dume. Built in 1949 and first time on the market in 31 years, this heart-warming and eclectic, single story has great architectural elements. The home features abundant skylights, exposed wood beamed ceilings, two stone fireplaces, hardwood floors, large windows that soak in the natural surroundings. The grounds are tranquil and breathtaking; a wonderland of natural landscape, flowing paths, rock garden, mature trees, wildflowers, koi pond. The property also features a heated pool/hot tub and a private, spacious and bright one-bedroom guesthouse. Enjoy as-is, with minor renovations or great development potential!
