“When I first met Jack we immediately struck up a real estate conversation. With Jack being 3rd generation in the RE business and myself being a multifamily apartment owner/investor we could have talked for hours. I always enjoy talking with Jack. He’s extremely approachable, knowledgeable and prides himself on staying well informed about the market. Jack had a listing in Malibu that sounded like a good opportunity for a close friend of mine so I referred them to one another. My friend purchased the property and was extremely impressed with Jacks negotiating skills and with his performance throughout the entire transaction. My friend has since purchased an additional property that Jack found for him. Needless to say, I will continue to refer Jack to any of my close friends because I know they are always in good hands.”
