“Jack was referred to me by another realtor who told me what a great guy he was as well as a seasoned broker. It’s not easy to find someone who cares about your best interest & who is willing to drive several miles to help you find the perfect property. It was hard enough getting a return phone call from other brokers, but Jack was on top of helping me look & when we finally found the perfect location he negotiated me a far better deal than I had expected. I am now in the process of working with Jack on another deal & wouldn’t consider using another broker. Jack is not only a professional but a respected family man & respected in the community.”
