“Jack has asked that I provide a letter of recommendation, to what end I did not ask, nor do I need to as I know Jack to be an accomplished realtor, and what is not so fashionable here in Los Angeles, a good father and husband. I have had the opportunity to observe Jack in both capacities, personal and in business, and find him to be highly intelligent, with good integrity, attentive, and thorough in business, and a good family man, again not as fashionable and something that all take pride in today. I would highly recommend Jack in any business situation, and have done so, finding his work exemplary, and competent, and I will recommend him again when the opportunity arises. Anyone contemplating doing business with Jack can be assured that they will be dealing with someone diligent and dedicated to the task, and someone that can not only be depended upon, but has the insight and experience to lead his clients to the right decisions. Should anyone need further commentary, feel free in contacting me directly.”
