AWOW is proud to announce an exciting new partnership with Jack & Michele Turturici of Equity Advisors Real Estate.

Jack Turturici, Jr., his wife Michele, and daughter Mia are all long-time AWOW Volunteers. They are passionate proponents of Surf Therapy, and wanted to find a way to do more for our Athletes.

They have decided to donate 5% of their commission from all home sales to AWOW! Even better, if anyone connected to AWOW refers them an opportunity, they will donate 15% of the commission!!

Thank you, Turturici family!
